This show is sanctioned by the American Dairy Goat Association and their rules shall govern.

Notice: Any person interfering with the ADGA judge or show committee and/or disrupting the show will be dismissed from the show ring and/or grounds and can be denied show privileges in the future.

COVID-19 regulations are in effect per local area.

Registration and Recordation Certificates:

- Only American Dairy Goat Association, American Goat Society and Canadian Goat Society registered, recorded or applied for animals, that are recognized by ADGA as dairy animals, may be shown in official American Dairy Goat Association shows.
- As per ADGA Postal Ballot 2021-10: Acceptance of an ADGA stamped duplicate application for registration dated on/after February 18, 2021 will be permitted for any age animal in lieu of a certificate of registration/recordation until December 31, 2021, if warranted by continuing extended time to owners' receipt of permanent ADGA registration certificates beyond the usual 30-day period of acceptance of this temporary registration document.
- A registration or recordation certificate or a stamped duplicate application showing the date received by the ADGA office is required for all animals under six months of age. Show officials shall not accept copies of the aforesaid, any other document in lieu of them, or information obtained from the ADGA office via telephone, etc.
- The document for that animal to be shown must be handed to the show official who shall read it and compare its information to that on its entry form and verify the information on both. All names included on one identification number constitute only one membership; therefore, only one exhibitor. Only the ID number on the registration/recordation certificate or on the stamped duplication application is proof of ownership.
- Persons showing animals whose registration or recordation certificates have signed transfers that have not been processed by the ADGA office must show those animals in the owner's name shown on ADGA records at that time.
- Animals with natural horns shall not be shown.

Health Requirements:

- ❶ Wyoming state fair rules requires all goats be accompanied by a valid health certificate (CVI), if required contact the Wyoming State Fair @ 307-358-2398. A Scrapie Premise ID number may be required to obtain the CVI, please note that tattoos accompanying a matching registration paper are acceptable Scrapie ID in Wyoming. A press release attesting to this is available on the Wyoming Livestock Board website. Health certificates will be verified at time of check-in. Diseased or injured animals will be removed from the grounds upon recommendation of the show committee.
- ❶ Animals deemed unworthy of competition by the show committee may be barred from the competition and removed from the grounds. In such cases, pen and entry fees submitted by the owner will be forfeited.

Milk out at your own discretion, over-udderred does will be discriminated against.

Grooming:

All goats must be dehorned or naturally polled.

The Grand Champion of the same show must be shown in these classes and the winners of them shall be called "Best of Breed." Permanent Champions shown in these classes are not to be barred from udder classes.
- ❶ Proof of Championship shall be either: (1) The prefix CH, GCH, or SGCH as affixed by ADGA on the animal's registration or recordation certificate; or (2) Presentation of the Permanent Champion Certificate Notification Letter issued by ADGA in conjunction with the original registration or recordation certificate. The letter is valid for use until December 31 of the year of issuance.
- ❶ The winner of the Champion Challenge class must compete in in the "Best in Show" class. An animal winning Grand Champion without Champion Challenge or Best of Breed, where Champion Challenge is contested, will forfeit the championship leg earned in the show if they fail to compete in the Best of Show class.
